# All donations matched by Angel Donors up to \$300,000 through June 30th!

We're thrilled to announce that **Luis Gerado del Valle Torres, Heart's Path Charitable Foundation, Gemmer Family Foundation, Coit Family Foundation, and Brad and Lynn Smith** have collectively pledged a total of \$300,000 in matching funds for all donations and pledges made to WPE through June 30th!

This means that ***your financial gifts to White Pony Express are matched dollar for dollar*** now through June 30th. If we meet this spring goal, **\$600,000** of our estimated **\$2.3 million annual funding need** will be available to us now - **when we need it most.**

Together we can do this!
